## HELP US HELP THE HEALING

Our mission is simple...  
we raise money and give 100%  
of it to the families of  
combat-wounded service members.  
We can do no less for those who are  
sacrificing so much for our great nation.

- WE HELP OUR WOUNDED HEROES  
- BY HELPING THEIR FAMILIES.

Since 2005, the Families of the Wounded Fund has provided generous financial assistance, as well as emotional and practical information, to those families and caregivers who are at the bedsides of their severely wounded loved ones. Doctors and nurses say that the presence of a loved one dramatically improves recovery and contributes greatly to the healing process.

- WE HELP THE FAMILIES OF ALL SERVICES  
- FROM ALL 50 STATES.

Our community-based mission is focused at the Richmond VA Medical Center, Fort Belvoir Community Hospital, Naval Medical Center Portsmouth, and Walter Reed National Military Medical Center. However, the impact is felt across the entire nation by military families representing all branches of the service. Family caregivers often travel far from home and stay for weeks and frequently months. They incur a variety of out-of-pocket expenses while the bills, in many cases, pile up back home. Our support enables many families to extend their stay at the bedside of their wounded loved one.

- OUR HEROIC SERVICE MEMBERS GIVE 100%  
- AND SO DO WE.

Because of the generous support of our dedicated volunteer Board of Directors, most of whom have served in the military, we are able to ensure that 100% of donations and net proceeds from our events are disbursed to these deserving families.

The Families of the Wounded Fund is registered with the Virginia Department of Agriculture and Consumer Services, and is a qualified 501(c)(3) charitable organization under the Internal Revenue Service since 2005.
